Thursday

Dear Booty;

Well, I guess you are having fun in the sun and water. Just hope you will get a lot of good sleep and rest. I got your letter and meant to get one off to you earlier but maybe this will be there when you get home.

I haven't done anything much. Did go and wash Monday. Garland was out of town. I took my time and got along fine. That's all I did that day. Your beds are clean and ready now and I want all of you to hurry back down here. Hattie helped me put the sheets back on the beds Tuesday.

Mrs. Mac spent Friday afternoon with Mr. Mrs. Wagoner brought her and they stayed till after five o'clock. She, Mrs. Mac, has been everywhere. To Albemarle to see Miss Hyerly who is dying with cancer in the Lutheran Home. She had been to see Miss Labak, in a nursing home, and Labak knew her. I understand she doesn't know she is in the world half the time.

She, Mrs. Mac, is coming to May's today. Don't know how long she will be there. She said she could walk around to see me when she gets there. She will be at Sharon Sunday. Watergate is going strong, I can't turn it off. It gets pretty hot sometimes. Halderman's lawyer called, or rather, referred to Senator Inouye as "that little guy". That raised the ire of

Garland went to Toledo Tuesday and probably had to lay over. I'm looking for him any time. His friend, Robert Nesser from Florida, called him last night. He is here on vacation I guess. Said he would be here several days.

Carl was supposed to get my car this morning to wax and polish it but it looks like it is going to pour rain. He doesn't do that when it is so wet. I'm glad you got your car back. It has been awfully rust and muggy here. I'm listening to hear when you all are coming back. The kids were real smart to keep everything going until you got home. I'm real proud of them. Write and come.

Love to all
Mother
