Tuesday

Dear Booty;

Thanks for the pretty Christmas card. You shouldn't have bothered to send us one. I haven't been to a store yet so you probably won't get one. I went to Dr. Fowler yesterday and again today. If I am not better I'll go back tomorrow. My back and shoulders have been giving me fits for no reason at all. I couldn't even write. I will go to Dr. Phillips Friday for a check up. I drove to the doctor's today and got along O.K. I was a little shaky when I got back but I have to start doing things for myself. I thought Garland wasn't going to let me but I insisted. I have been so much trouble to him but he doesn't complain.

I got a letter from Lela. She said she might spend the night of the 20th with us. I wrote her that Garland will go up for her and maybe some of you can come down and meet her. If not Garland will see that she gets home. I had hoped to be able to ride up with him but that depends on how I feel at the time. I can't wait to see her and all of you. I really missed you Thanksgiving. I told <sup>her</sup> I would call her, and find out what time she can leave school, when I hear from you. If I don't hear we will get her any way. I haven't had my hair fixed yet but will surely get it done this week.

Guess all of you are busy. I haven't been to a store yet. Garland does all the shopping. It is cold here but we haven't had snow. Let me hear from you soon and take care of everyone.

Love to all  
Mother
